DECLARATION OF JIM L. WONG AND VELIMIR JOVANOVIC

Sir:

1. This document is in response to notice pursuant to 37 C.F.R. §1.68.
2. I, **JIM L. WONG** and **VELIMIR JOVANOVIC**, U.S. citizens, residing in Diamond Bar, California, County of Los Angeles, and San Diego, California, County of San Diego, respectively, declare that we made and conceived the invention described and claimed in patent

Docket No. 00-012 (008676)
Boeing No: 00-012

application Serial No. 09/892,420, filed in the United States of America on June 27, 2001 titled:
"INTUMESCENT ABLATIVE COMPOSITION."

3. That we made and conceived this invention while employed by The Boeing Company. That the invention is related to the work we are employed to perform and was made within the scope of our employment duties. That the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of The Boeing Company. That to the best of our knowledge and belief and based upon information provided by Lawrence N. Ginsberg, Esquire, of The Boeing Company, the information provided is true in fact.

4. The invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy; and,

5. The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

6. The undersigned inventor declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
